2024 - 2025 Collection

The WOODca Way

WOODca Design is an industry leading supplier of millwork and construction related wood products in Canada. We bring European quality to Canadian market with intense customer service, knowledge and expertise. Our exclusive lines are offered for all kinds of commercial and residential applications.

We specialize in decorative wall panels, finished millwork - cabinetry panels and various flooring lines. Our mission is to offer our extensive product lines with local availability and facilitate our customers' creativity by using our unique and diversified collection.

With many globally known companies under our collection and with an ever extending collection of over 200 unique surfaces and models, we strive to support our customers with the best tools to realize their design dreams without making any compromises on our exceptional customer service and relationships.

With its operations center located in North York, Toronto, WOODca Design services all of Canada and many locations in the US with its products.

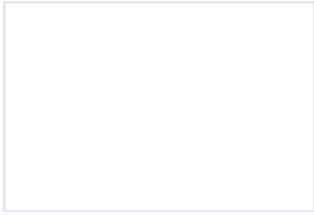

PANEL COLLECTION

Woodca offers versatile solutions for unique designs: Woodca Panels are indispensable for both furniture doors and wall panels, as well as furniture backboards, kitchens, and all millwork applications. Our Panels are manufactured using world class MDF and this presents colorful solutions for every venue. PVC/PET/ACRYLIC foil coating with superior surface quality are what bring these colourful solutions.

Our contemporary finishes and unique collection promises elegance. Diversity of decors will provide endless design choices for all kinds of tastes.
